DEFENDANT’S SPECIAL REPORT

COMES NOW Lee County Sheriff Jay Jones, Defendant in the above-styled cause, and submit their Special Report to the Court.

INTRODUCTION

Rodney Raphael Cooper, has been in and out of the Lee County Detention Center multiple times. Most recently he booked into the Lee County Detention Center on October 2, 2006 on charges of second-degree theft of property or shoplifting. (Exhibit A, Inmate File of Rodney Raphael Cooper.) The Plaintiff was a pretrial detainee at all times relevant to the allegations made the basis of the Plaintiff’s Complaint. (Exhibit B, Affidavit of Corey Welch¹, “Welch Aff.” ¶ 3.)

PLAINTIFF’S ALLEGATIONS

Plaintiff alleges that Defendant violated his constitutional rights by 1) denying him adequate medical care, 2) by housing him in a cell where the temperature was 29 degrees Fahrenheit without an extra blanket and 3) by serving him meals not approved by a dietician,

¹ Lt. Welch is employed by the Lee County Sheriff’s Office and assigned to serve as a corrections officer at the Lee County Detention Center. He has worked as a correctional officer for over ten years, having obtained the rank of Lieutenant in November 2004. He is both a graduate of the Police Academy and the Alabama Jail Management School. Half of Lee County Detention Center staff is assigned to the red team and half is assigned to the blue team. He is the red team supervisor. Lt. Welch is in charge of work-release inmates and is the SPORT team administrator. Lt. Roberson and Lt. Welch are the highest ranking jail officials under Major Torbert and Sheriff Jones. (Welch Aff. ¶ 2.)

which lack meat and milk. (Plaintiff's Compl. p. 4.)

DEFENDANT'S RESPONSE TO PLAINTIFF'S ALLEGATIONS

Sheriff Jones denies the allegations made against him by Plaintiff as being untrue and completely without basis in law or fact. Defendant denies that he acted, or caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled. (Exhibit C, Affidavit of Sheriff Jay Jones², "Jones Aff.," ¶ 5.) Defendant raises the defenses of Eleventh Amendment immunity, qualified immunity, Plaintiff's failure to comply with the Prison Act, and additional defenses presented below. Defendant reserves the right to add additional defenses if any further pleading is required or allowed by the Court.

I. FACTS

A. MEDICAL CARE

It is the policy of the Lee County Sheriff's Office that all inmates confined in the Lee County Detention Facility are entitled to a level of health care comparable to that available to citizens in the surrounding community, which will ensure their physical and emotional well-being. (Jones Aff. ¶ 11; Welch Aff. ¶ 10; Exhibit D, Affidavit of Ray Roberson³, "Roberson Aff.," ¶ 10; Exhibit E, Affidavit of Tommy Threat⁴, "Threat Aff.," ¶ 13; Exhibit F, Affidavit of Nurse Linda Stewart⁵, "Stewart Aff.," ¶ 7.)

² Jay Jones is the duly elected Sheriff of Lee County, Alabama, and has served in such capacity since 1999. (Jones Aff. ¶ 2.)

³ Lt. Roberson is employed with the Lee County Sheriff's Office and serve as Assistant Jail Administrator at the Lee County Detention Center. He has worked in the Lee County Detention Center for twenty-three years and has obtained the rank of lieutenant. (Roberson Aff. ¶ 2.)

⁴ Sgt. Threat is employed by the Lee County Sheriff's Office and assigned to serve at the Lee County Detention Center. He has achieved the rank of Sergeant. He has been employed at the Lee County Detention Center for six (6) years and is a graduate of the Alabama Jail Management School. (Threat Aff. ¶ 2.)

⁵ Nurse Stewart has been employed as a nurse with the Lee County Detention Facility for over five years. She is an L.P.N. and has been licensed for over twenty-years, having served as a nurse in the ICU and CCU in Cobb Hospital Emergency Room for fifteen-years. She is a Certified Correctional Health Professional by the National Commission on Correctional Health Care. She taught Nursing Assistance Clinicals for two years at Career Institute. Nurse Stewart collected medical information for the law firm of Bellamy and Jones for three years, and was employed as

Medical care rendered to inmates in the Lee County Detention Facility is delivered under the direction of a licensed health care provider. (Jones Aff. ¶ 12; Welch Aff. ¶ 11; Roberson Aff. ¶ 11; Threat Aff. ¶ 14.)

No health care personnel or Detention Facility officer or other employee of the Sheriff's Office will ever summarily or arbitrarily deny an inmate's reasonable request for medical services. (Jones Aff. ¶ 13; Welch Aff. ¶ 12; Roberson Aff. ¶ 12; Threat Aff. ¶ 15.)

Medical, dental, and mental health matters involving clinical judgments are the sole province of the responsible physician, dentist, or psychiatrist or qualified psychologist, respectively. (Jones Aff. ¶ 14; Welch Aff. ¶ 13; Roberson Aff. ¶ 13; Threat Aff. ¶ 16.)

Inmates are guaranteed access to all diagnostic, laboratory, or other treatment services as directed by the responsible health care authority. (Jones Aff. ¶ 15; Welch Aff. ¶ 14; Roberson Aff. ¶ 14; Threat Aff. ¶ 17.)

It is the policy of the Lee County Sheriff's Office to allow inmates incarcerated in the Lee County Detention Facility to request health care services at any time. (Jones Aff. ¶ 16; Welch Aff. ¶ 15; Roberson Aff. ¶ 15; Threat Aff. ¶ 18.)

Two methods may be utilized by inmates incarcerated in the Lee County Detention Facility in order to secure health care services:

- a. Verbal Request: An inmate may make a verbal request for emergency medical attention to any member of the Detention Center staff at any time.
- b. Written Request: An inmate in need of any type of medical attention may complete an Inmate Request form seeking medical attention and forward it to any member of the Detention Center staff.

(Jones Aff. ¶ 17; Welch Aff. ¶ 16; Roberson Aff. ¶ 16; Threat Aff. ¶ 19.)

Requests for medical treatment will be accepted by members of the Detention Facility staff

the personal nurse for Doctor Hoffman, in Phenix City, Alabama, for twelve-years, prior to coming to the Lee County Detention Facility. (Stewart Aff. ¶ 1.)

at any time. (Jones Aff. ¶ 18; Welch Aff. ¶ 17; Roberson Aff. ¶ 17; Threat Aff. ¶ 20.)

When a request for medical treatment is made to a member of the Detention Facility staff, the staff member receiving the request will notify the shift supervisor of the inmate's request. It is the shift supervisor's responsibility to ensure that the inmate's request is attended to in a prompt and proper manner. Any doubt as to whether an actual need exists for medical treatment will be resolved in favor of the inmate and medical treatment will be offered. (Jones Aff. ¶ 19; Welch Aff. ¶ 18; Roberson Aff. ¶ 18; Threat Aff. ¶ 21.)

Medical requests of an emergency nature are to be handled immediately. (Jones Aff. ¶ 20; Welch Aff. ¶ 19; Roberson Aff. ¶ 19; Threat Aff. ¶ 22.)

Lee County Sheriff's Office policy requires that inmates be informed of the methods by which they may obtain medical treatment during the booking process. (Jones Aff. ¶ 21; Welch Aff. ¶ 20; Roberson Aff. ¶ 20; Threat Aff. ¶ 23.)

The Detention Facility nurses, under the direction of the Detention Facility Administrator, are charged with the responsibility of obtaining appointments for inmates with physicians in order that they may receive medical treatment or for scheduling times when the treating physician may attend to health care needs at the Detention Facility. (Jones Aff. ¶ 22; Welch Aff. ¶ 21; Roberson Aff. ¶ 21; Threat Aff. ¶ 24.)

All health care rendered to inmates will, at the doctor's discretion, be given privately to the inmate, outside the presence of a Detention Facility official. Should the physician request, a Detention Facility officer will be present for any and all examinations the treating physician deems appropriate. (Jones Aff. ¶ 23; Welch Aff. ¶ 23; Roberson Aff. ¶ 23; Threat Aff. ¶ 25.)

All inmates are required to pay a \$10.00 fee for non-emergency treatment and a \$3.00 fee for prescription medication. Inmates are never denied emergency medical treatment or treatment

to a life-threatening injury. Inmates will not be denied necessary medical treatment because of lack of funds or for any other reason. When an inmate has insufficient funds in his/her trust account to pay for the assessed fee(s), a lien in the amount of the fee(s) will be placed on the inmate's trust account against future monies that may be received. (Jones Aff. ¶ 24; Welch Aff. ¶ 24; Roberson Aff. ¶ 24.)

When an inmate requests to see a dentist, the inmate is first examined by the jail physician in order to ensure that the inmate does not suffer from an emergency medical condition and to ensure that the inmate most likely does have a dental problem. If the inmate's request is not of an emergency nature, the inmate is placed on the list to be seen by a dentist. A local dentist sees 10 inmates from the Lee County Detention Center a week. Inmates are seen in the order that their name appears on the list. (Welch Aff. ¶ 22; Roberson Aff. ¶ 22.)

On October 2, 2006, Plaintiff was questioned by a corrections officer about his health during booking procedures. Plaintiff answered no when asked if he was having any problems or pain with his teeth. (Ex. A, Inmate File; Medical Screening Form dated October 2, 2006.)

Nurse Stewart received and responded to two request slips from Plaintiff requesting medical care for a toothache. Plaintiff submitted the first slip on October 5, 2006 and the second slip on October 6, 2006. After receipt of the first slip, Nurse Stewart placed Plaintiff on a list to see the dentist. (Stewart Aff. ¶ 20; Exhibit G, Inmate Medical File.)

Dr. McFarland, the physician at the Lee County Detention Center, examined Plaintiff and determined that he did need to see a dentist. Plaintiff was examined by Dr. William G. King, III, D.M.D. on October 27, 2006. Dr. King prescribed amoxicillin and Lortab to Plaintiff and determined that Plaintiff could have his wisdom teeth removed as elective, non-emergency surgery paid for by Plaintiff. Plaintiff received his first dose of these medications on October 27,

2006. Plaintiff continued to receive these medications exactly as Dr. King prescribed them, as shown by the Medication Administration Records. (Stewart Aff. ¶ 21; Ex. G, Inmate Medical File.)

Nurse Stewart followed Dr. McFarland's and Dr. King's orders with regard to the Plaintiff's medical care. In fact, per the policy of the Lee County Sheriff's Office, she always follows the instructions of the treating physician on all medical issues. (Stewart Aff. ¶ 22; Ex. G, Inmate Medical File.)

There is no report or request form in the Plaintiff's Inmate or Medical File showing that the Plaintiff ever fell in the shower as he alleged or that he requested medical care due to a fall in the shower as Plaintiff alleged. (Welch Aff. ¶ 28; Ex. G, Inmate Medical File.)

Per the policy of the Lee County Sheriff's Office, the nonmedical staff always defer to the instructions of the trained medical professionals on all medical issues. (Jones Aff. ¶ 25; Welch Aff. ¶ 25; Roberson Aff. ¶ 25.)

B. CONDITIONS OF CONFINEMENT

The heating system for the Lee County Detention center maintains a temperature between 68 and 70 degrees Fahrenheit in all inmate cells. Increasing this temperature increases the opportunity for germ growth. If a problem does occur within the heating system, a service professional is called to fix it immediately. Plaintiff has never been housed in a cell without adequate heat. (Jones Aff. ¶ 26; Welch Aff. ¶ 26; Roberson Aff. ¶ 26; Threat Aff. ¶ 11.)

At booking each inmate receives one blanket and two sheets. Per jail policy, inmates are not issues any further bedding items. (Welch Aff. ¶ 27; Roberson Aff. ¶ 27; Threat Aff. ¶ 12.)

Menus for the inmates at the Lee County Detention Facility are written out each month based on an original pre-approved menu. The original pre-approved menu has been approved by

a certified dietician at the Auburn University Extension Office. The dietitian has made any necessary revisions to the menu, which is then adopted and approved by Detention Center staff as the menu as meeting all nutritional requirements. This dietitian-approved menu is the basis for all meals that have been served to inmates in the Lee County Detention Facility over the past two years. (Jones Aff. ¶ 27; Welch Aff. ¶ 29; Roberson Aff. ¶ 28.)

Inmates receive ample amounts of dairy products, proteins and vegetables. Water is served to the inmates daily; also, inmates receive non-fat milk and fruit drinks several times a week. Further, healthy portions are served at each meal. Inmates are usually served meat daily. Inmates usually are served three to four different food items at every meal, offering a variety of food choices each day. Inmates are served fruit several times a week. (Jones Aff. ¶ 28; Welch Aff. ¶ 30; Roberson Aff. ¶ 29; Exhibit H, Detention Center Menus October 2006 through February 2007.)

Sheriff Jones, Lt. Welch, Lt. Roberson, Sgt. Threat and Nurse Stewart have complied with all policies and procedures of the Lee County Detention Center. They are not aware of nor have they authorized or allowed any deviation from said policies and procedures. (Jones Aff. ¶ 29; Welch Aff. ¶ 31; Roberson Aff. ¶ 31; Threat Aff. ¶ 26; Stewart Aff. ¶ 4.) As a Detention Facility nurse, Nurse Stewart has neither duty nor authority with regard to any non-medical issues. Her sole duty and authority is with regard to medical care of inmates. (Stewart Aff. ¶ 6.)

C. GRIEVANCE PROCEDURES.

It is the policy of the Lee County Sheriff's Office that members of the Detention Center staff receive and answer any written grievances or requests made by inmates to the sheriff, chief deputy sheriff, or Detention Center personnel. (Jones Aff. ¶ 6; Welch Aff. ¶ 5; Roberson Aff. ¶ 5; Threat Aff. ¶ 5.)

Inmates housed in the Lee County Detention Center are furnished with inmate request forms for the purpose of stating their requests or grievances in writing. Detention Center personnel are charged with the responsibility of receiving and forwarding these forms to the proper authority at any time they are offered a completed form by an inmate. The officer receiving the request form is to answer the request if possible. If that officer is unable to answer the request, he is to forward it to the appropriate individual and/or up the chain of command until the request is answered. If the request form is directed to a particular officer, the officer receiving the request will forward the request to the officer to whom the request is directed. If the officer to whom the request is directed is not on duty that day, the request will be addressed on that officer's next scheduled working day. (Jones Aff. ¶ 7; Welch Aff. ¶ 6; Roberson Aff. ¶ 6; Threat Aff. ¶ 6.)

Internal grievance procedures at the Lee County Detention Center are available to all inmates. It is the policy of the Lee County Sheriff's Office that inmates are permitted to submit grievances and that each grievance will be acted upon. (Jones Aff. ¶ 8; Welch Aff. ¶ 7; Roberson Aff. ¶ 7; Threat Aff. ¶ 8.)

All inmates are provided a copy of the Lee County Detention Center Inmate Handbook when they are booked into the jail. Plaintiff signed a receipt showing that he had received a copy of the handbook and could read it. (Ex. A, Inmate File, Plaintiff's signed receipt of inmate handbook.) The inmate handbook states that an inmate may report a grievance on an inmate request form. Grievances are first answered by the appropriate staff at the lowest level in the chain of command. The inmate handbook also states that if the inmate is not satisfied with the first answer to his grievance, the inmate may appeal all the way up the chain of command, up to the Sheriff, who will make the final decision. (Jones Aff. ¶ 9; Welch Aff. ¶ 8; Roberson Aff. ¶ 8;

Threat Aff. ¶ 9.)

Sheriff Jones, Lt. Welch, Lt. Roberson, and Sgt. Threat have never received any request form or complaint from Plaintiff concerning any of the allegations of his Complaint. Other than the two requests requesting medical care for a toothache dated October 5, 2006 and October 6, 2006, Nurse Stewart has never received a grievance or request from the Plaintiff concerning the allegations made the basis of his Complaint. A copy of all grievances and requests are filed in the inmate's file. However, the only requests in the Plaintiff's inmate file concern his requests regarding his parole, his requests regarding money to spend at the store, his request regarding his personal property being picked up and his request regarding his bad check charge. Had the Plaintiff made a request concerning any other allegations of his Complaint a copy would have been placed in the Plaintiff's inmate file. However, no such requests can be found in the Plaintiff's inmate file. (Threat Aff. ¶ 10.) Per Lee County Sheriff's Office policy, an inmate has the opportunity to appeal any grievance to Sheriff Jones, Lt. Welch, and Lt. Roberson if he were not satisfied with the response at the lower levels in the chain of command. The Plaintiff has not appealed any grievance to Sheriff Jones, Lt. Welch or Lt. Roberson. Accordingly, the Plaintiff has failed to exhaust his administrative remedies at the Lee County Detention Center. (Jones Aff. ¶ 10; Welch Aff. ¶ 9; Roberson Aff. ¶ 9; Threat Aff. ¶ 10.)

II. LAW

A. **All claims by Plaintiff against Defendant in his official capacity must fail based on Eleventh Amendment immunity and because he is not a "person" under 42 U.S.C. § 1983.**

Plaintiff's claims against Sheriff Jones in his official capacity are due to be dismissed for lack of subject matter jurisdiction as such claims are barred by the Eleventh Amendment to the United States Constitution. Parker v. Williams, 862 F.2d 1471, 1476 (11th Cir. 1989) (holding a

sheriff sued in his official capacity is entitled to Eleventh Amendment immunity); Free v. Granger, 887 F.2d 1552, 1557 (11th Cir. 1989) (holding that a sheriff sued in his official capacity is entitled to Eleventh Amendment immunity); Carr v. City of Florence, Ala., 918 F.2d 1521, 1525 (11th Cir. 1990) (holding a deputy sheriff sued in his official capacity is entitled to Eleventh Amendment immunity); Lancaster v. Monroe County, 116 F.3d 1419, 1430-31 (11th Cir. 1997) (extending Eleventh Amendment immunity to include jailers employed by county sheriffs).

In addition, the official capacities claims must fail because 42 U.S.C. § 1983 prohibits a person, acting under color of law, from depriving another of his rights secured by the United States Constitution. 42 U.S.C. § 1983 (emphasis added). The United States Supreme Court has held that state officials, in their official capacities, are not “persons” under § 1983. Will v. Michigan Dep’t of State Police, 491 U.S. 58, 71 (1989). Any claims against Defendant in his official capacity should therefore be dismissed because he is not a “person” under § 1983, and therefore claims against him in his official capacity fail to state a claim upon which relief can be granted. Id.; Carr, 916 F.2d at 1525 n.3 (11th Cir. 1990).

B. Plaintiff’s failure to comply with the Prison Litigation Reform Act bars the Complaint.

1. Plaintiff has failed to exhaust all Administrative Remedies.

Under the Prison Litigation Reform Act (“PLRA”), an inmate is required to exhaust all administrative remedies before instituting an action under 42 U.S.C. § 1983. 42 U.S.C. § 1997e (a). The Plaintiff in this case has not utilized two separate and distinct administrative remedies available to him. First, the Plaintiff has not exhausted the grievance procedures provided at the Lee County Detention Center. Secondly, he has not alleged that he pursued any grievance through the State Board of Adjustment. See Brown v. Tombs, 139 F.3d 1102, 1103-04 (6th Cir.

1998) (requiring prisoners to affirmatively show that they have exhausted administrative remedies). Despite the availability of a grievance procedure at the Lee County Detention Center, Plaintiff did not file a grievance with the Lee County Detention Facility.

In addition to the grievance procedure at the local level, Alabama law provides the opportunity to file a claim and proceed before the State of Alabama Board of Adjustment pursuant to Ala. Code § 41-9-60. The Sheriff of Lee County is a state officer, as are his alter egos, and therefore would be entitled to sovereign immunity. See Lancaster v. Monroe County, 116 F.3d 1419, 1429 (11th Cir. 1998). Due to this immunity, the State of Alabama has provided an administrative remedy for the recovery of money damages through the State of Alabama Board of Adjustment.

As a result of Plaintiff's failure to exhaust these two remedies, he is barred from bringing this action under § 1997e(a). See Alexander v. Hawk, 159 F.3d 1321, 1326-27 (11th Cir. 1998) (affirming dismissal of prison action due to failure to exhaust administrative remedies).⁶

2. Plaintiff's claims are barred by the Prison Litigation Reform Act because he has not suffered any physical injury as a result of the allegations in his Complaint.

42 U.S.C. § 1997e(e) of the Prison Litigation Reform Act requires that a plaintiff

⁶ See Terry Shane Williams v. Cecil Reed, et al., United States District Court for the Northern District of Alabama, Middle Division, No. CV-99-BU-2938-M, slip op. at 3-4 (N.D. Ala. August 15, 2000) (adopted by district judge September 21, 2000) (dismissed the plaintiff's claims without prejudice for his failure to exhaust his administrative remedies at the DeKalb County Jail); Richard Dale Woodham v. Bill Lands, United States District Court for the Northern District of Alabama, Middle Division, No. CV-00-AR-0170-M, slip op. at 4-5 (N.D. Ala. November 7, 2000) (adopted by district judge December 4, 2000) (dismissed the plaintiff's claims without prejudice for his failure to exhaust his administrative remedies at the DeKalb County Jail); Quinton M. Johnson v. Sgt. Robinson, et al., United States District Court for the Middle District of Alabama, Eastern Division, No. CV-00-D-616-E, slip op. at 3-5 (M.D. Ala. January 12, 2001) (adopted by district judge January 31, 2001) (dismissing the plaintiff's claims without prejudice for his failure to exhaust his administrative remedies with the State of Alabama Board of Adjustment); David Wilson Bell, Sr. v. Tina Riley, et al., United States District Court for the Middle District of Alabama, Eastern Division, No. CV-00-D-731-E, slip op. at 4-5 (M.D. Ala. February 21, 2001) (adopted by district judge March 20, 2001) (dismissing the plaintiff's claims without prejudice for his failure to exhaust his administrative remedies with the State of Alabama Board of Adjustment); Mitchell Lee Hicks v. Jack Day, et al., Circuit Court of Clarke County, Alabama, No. CV-00-280M, slip op. 1-3 (March 21, 2001) (dismissed the plaintiff's claims without prejudice for his failure to exhaust his administrative remedies with the State of Alabama Board of Adjustment); But see, Garner v. Weeks, No. 00-14582 (11th Cir. April 10, 2001).

demonstrate that he suffered physical injury before instituting a complaint based upon jail conditions. The PLRA states the following concerning physical injury:

No Federal civil action may be brought by a prisoner confined in a jail, prison, or other correctional facility, for mental or emotional injury suffered while in custody without a prior showing of physical injury. 42 U.S.C. § 1997e(e).

The Eleventh Circuit has determined that the physical injury requirement of § 1997e(e) requires that a plaintiff demonstrate a physical injury that is more than *de minimis* although the injuries do not have to be significant. Harris v. Garner, 190 F.3d 1279, 1286 (11th Cir.), vacated, 197 F.3d (11th Cir. 1999), reinstated in relevant part, Harris v. Garner, 216 F.3d 970 (11th Cir. 2000) (en banc). In the present action, Plaintiff suffered no physical injury as a result of the allegations described in his Complaint. (See Plaintiff's Compl.) Further, Plaintiff's Complaint fails to allege that he suffered an injury. As a result, the case is due to be dismissed pursuant to 42 U.S.C § 1997e(e).

C. Alternatively, Defendant is entitled to qualified immunity because nothing in his conduct crossed a “bright line” contour of clearly established constitutional law.

Sheriff Jones was acting within his discretionary authority as Sheriff of Lee County during all times relevant to Plaintiff's Complaint because all his actions were taken in the furtherance of his job duties. See, e.g. Holloman ex rel. Holloman v. Harland, 370 F.3d 1252 (11th Cir. 2004). Once a defendant has asserted the defense of qualified immunity and shown that he was acting within his discretionary authority, the threshold inquiry a court must undertake is whether the plaintiff's allegations, if true, establish a constitutional violation. Saucier v. Katz, 533 U.S. 194, 201 (2001). This initial inquiry is whether “[t]aken in the light most favorable to the party asserting the injury, do the facts alleged show the officer's conduct violated a constitutional right?” Id. (citing Siegert v. Gilley, 500 U.S. 226, 232 (1991)). The second

inquiry is, if a constitutional violation is stated, were these rights “clearly established” to the degree that this Defendant had “fair warning” that his conduct violated the Plaintiff’s constitutional rights? Willingham v. Loughnan, 321 F.3d 1299, 1301 (11th Cir. 2003).

In making an assessment of whether the particular conduct of this Defendant was clearly established as being violative of constitutional dictates, the reviewing court must examine the state of law at the time the alleged deprivation occurred. See Rodgers v. Horsley, 39 F.3d 308, 311 (11th Cir. 1994). A constitutional right is clearly established only if its contours are “sufficiently clear that a reasonable official would understand that what he is doing violates that right.” Anderson v. Creighton, 483 U.S. 635, 640 (1987); Lancaster, 116 F.3d at 1424. “In this circuit, the law can be ‘clearly established’ for qualified immunity purposes only by decisions of the U.S. Supreme Court, Eleventh Circuit Court of Appeals, or the highest court of the state where the case arose.” Jenkins v. Talladega Bd. of Educ., 115 F.3d 821, 827 (11th Cir. 1997) (*en banc*) (citations omitted).

Assuming, *arguendo*, that the Plaintiff could demonstrate a constitutional violation, he must still show that clearly established law provided Defendant with fair warning that his conduct was unlawful. He may do so by either (1) pointing to a case with materially similar facts holding that the conduct engaged in was illegal; or (2) demonstrating that a pertinent federal statute or federal constitutional provision are specific enough to demonstrate conduct was illegal, even in the total absence of case law. Storck v. City of Coral Springs, 354 F.3d 1307, 1317 (11th Cir. 2003) (citations omitted). The Eleventh Circuit has identified the latter method as an “obvious clarity” case. Vinyard v. Wilson, 311 F.3d 1340, 1350 (11th Cir. 2002) (footnote omitted). In order to show that the conduct of the Defendant was unconstitutional with “obvious clarity,” “the unlawfulness must have been apparent.” Willingham, 321 F.3d at 1301. “Unless a government

agent's act is so obviously wrong, in the light of pre-existing law, that only a plainly incompetent officer or one who was knowingly violating the law would have done such a thing, the government actor has immunity from suit." Storck, 354 F.3d at 1318 (quoting 28 F.3d at 1149).

1. Medical Claims

In order to prevail under 42 U.S.C. § 1983 on his medical claim, the Plaintiff must demonstrate that Defendant was deliberately indifferent to a serious medical condition. Because society does not expect that prisoners will have unqualified access to health care, deliberate indifference to medical needs amounts to an Eighth Amendment violation only if those needs are "serious." Hudson v. McMillian, 503 U.S. 1, 9 (1992).

A serious medical need is one that has been diagnosed by a physician as mandating treatment or one that is so obvious that even a lay person would easily recognize the necessity for a doctor's attention. A prison or medical official may be held liable under the Eighth Amendment for actions with "deliberate indifference" to inmate health or safety only if he knows that inmates face a substantial risk of serious harm and disregards that risk by failing to take reasonable measures to abate it. Mere negligence does not suffice to prove deliberate indifference.

Farmer v. Brennan, 511 U.S. 825, 837 (1994) ("Deliberate indifference describes a state of mind more blameworthy than negligence."). Furthermore, where a prisoner has received medical attention and the dispute concerns the adequacy of the medical treatment, deliberate indifference is not shown. Hamm v. DeKalb County, 774 F.2d 1567 (11th Cir. 1985).

In the instant case, the evidence shows that, on the occasions where the Plaintiff complains he did not receive adequate medical treatment, he was actually treated by two licensed and trained medical doctors and a nurse. On October 2, 2006 Plaintiff stated that he did not have any problem with his teeth. After he requested medical care for his teeth on October 5, 2006, he was placed on the list to see the dentist. The jail physician and a dentist examined Plaintiff. Plaintiff was given his medications as prescribed to him. The jailers did their duties in getting

the Plaintiff to see medical staff for evaluation. The nurses did their duty in referring the Plaintiff to the medical doctor and seeing to it that he was treated and that his medication was dispersed. Further, the evidence establishes that Plaintiff never requested medical attention regarding an alleged fall in the shower. There are no grievances in the Plaintiff's file regarding his allegations of denial of medical care. Clearly, Plaintiff has not shown that Defendant was in any way deliberately indifferent to any serious medical need of the Plaintiff.

An inmate does not have a right to a *specific* kind of treatment. City of Revere v. Massachusetts General Hosp., 463 U.S. 239, 246 (1983) (holding, "the injured detainee's constitutional right is to receive the needed medical treatment; *how [a municipality] obtains such treatment is not a federal constitutional question*") (emphasis added). Furthermore, this Court should not substitute its medically untrained judgment for the professional judgment of the medical health professionals who treated the Plaintiff. See Waldrop v. Evans, 871 F.2d 1030, 1035 (11th Cir. 1989) (observing that "when a prison inmate has received medical care, courts hesitate to find an Eighth Amendment violation"); Hamm v. DeKalb County, 774 F.2d 1567, 1575 (11th Cir. 1985) (stating that the evidence showed the plaintiff received "significant" medical care while in jail, and although plaintiff may have desired different modes of treatment, care provided by jail did not constitute deliberate indifference), cert. denied, 475 U.S. 1096 (1986); Westlake v. Lucas, 537 F.2d 857, 860 n.5 (6th Cir. 1976) (stating "Where a prisoner has received some medical attention and the dispute is over the adequacy of the treatment, federal courts are generally reluctant to second guess medical judgments").

Furthermore, the Defendant does not have any kind of medical education, training or experience. He relies upon the professional judgment of medical professionals who have been retained to provide care to the inmates. While the Eleventh Circuit has not had an opportunity to

visit this issue, the Eighth Circuit has addressed a similar claim. In Meloy v. Bachmeier, 302 F.3d 845 (8th Cir. 2002), a former inmate sued several prison doctors, a nurse, and the prison's medical director⁷ for failing to provide him with a positive air pressure machine needed to treat his sleep apnea. 302 F.3d at 847. Reversing the district court's denial of summary judgment for the director, the Eighth Circuit began by making some common sense summary judgment for the director, the Eighth Circuit began by making some common sense observations. "A prison's medical treatment director who lacks medical expertise cannot be liable for the medical staff's diagnostic decisions." 302 F.3d at 847 citing, Camberos v. Branstad, 73 F.3d 174, 176 (8th Cir. 1995). Further, the Meloy court stated "[p]rison officials cannot substitute their judgment for a medical professional's prescription." Id. citing, Zentmyer v. Kendall County, 220 F.3d 805, 812 (7th Cir. 2000). Finally, the court held:

The law does not clearly require an administrator with less medical training to second-guess or disregard a treating physician's treatment decision. Because the law was not clearly established that [the director] was deliberately indifferent to [the plaintiff's] serious medical needs, [the director] is entitled to qualified immunity.

302 F.3d at 849.

In the instant case, the evidence shows that Plaintiff was treated by the jail nurse, the jail medical doctor and a dentist. The Sheriff, who is not a trained and licensed medical provider, is in no way responsible for second-guessing the judgments of nurses and doctors. Furthermore, the nurses, like the director in Meloy, cannot, and should not, second guess the judgment of the Plaintiff's medical doctor. Therefore, Defendant is entitled to qualified immunity from Plaintiff's claims.

2. Plaintiff's conditions of confinement claims.

In order to establish a conditions of confinement claim Plaintiff "must prove three

⁷ The medical director was a trained and licensed nurse. 302 F.3d at 846.

elements: (1) a condition of confinement that inflicted unnecessary pain or suffering [constituting cruel and unusual punishment], (2) the defendant[s'] 'deliberate indifference' to that condition, and (3) causation. Rhodes v. Chapman, 452 U.S. 337, 347, 101 S. Ct. 2392, 2399, 69 L. Ed. 2d 59 (1981) (first element); Wilson v. Seiter, [502] U.S. [294, 303], 111 S. Ct. 2321, 2327, 115 L. Ed. 2d 271 (1991) (second element); Williams v. Bennett, 689 F.2d 1389-90 (11th Cir. 1982) (third element). Whether a particular condition of confinement constitutes cruel and unusual punishment is an objective inquiry; whether jail officials were deliberately indifferent to that condition is a subjective inquiry. Wilson v. Seiter, 502 U.S. at 290. In the instant case, the Plaintiff cannot establish either the objective or subjective components of his conditions of confinement claims.

a. Objective Component

With regard to the objective component, the Eleventh Circuit has held that "*extreme* deprivations are required to make out a conditions-of-confinement claim" under the Eighth Amendment.⁸ Chandler v. Crosby, 379 F.3d 1278, 1298 (11th Cir. 2004) (emphasis in original). "[A] constitutional violation occurs only where the deprivation alleged is, objectively, 'sufficiently serious.'" Farmer v. Brennan, 511 U.S. 825, 834 (1994). "[T]he Constitution does not mandate comfortable prisons." Chandler, 379 F.3d. at 1289. In the instant case, the Plaintiff cannot present evidence of any *extreme* deprivation that could be objectively considered "cruel and unusual."

⁸ "Claims involving the mistreatment of . . . pretrial detainees in custody are governed by the Fourteenth Amendment's Due Process Clause instead of the Eighth Amendment's Cruel and Unusual Punishment Clause, which applies to such claims by convicted prisoners. But it makes no difference whether [the plaintiff] was a pretrial detainee or a convicted prisoner because 'the applicable standard is the same, so decisional law involving prison inmates applies equally to cases involving pretrial detainees.'" Bozeman v. Orum, 422 F.3d 1265, 1271 (11th Cir. 2005) (internal citations omitted).

b. Subjective Component

Even if the Plaintiff's conditions of confinement were objectively "cruel and unusual," there must still be evidence of subjective deliberant indifference on the part of each Defendant. "To be deliberately indifferent, a [jail] official must knowingly or recklessly disregard an inmate's basic needs." LaMarca v. Turner, 995 F.2d 1526, 1535 (11th Cir. 1993). "[A] plaintiff must prove that the official possessed knowledge both of the infirm condition and of the means to cure that condition, 'so that a conscious, culpable refusal to prevent the harm can be inferred from the defendant's failure to prevent it.'" Id. (quoting Duckworth v. Franzen, 780 F.2d 645, 653 (7th Cir. 1985), cert. denied, 479 U.S. 816 (1986)). There must be evidence that the official "knows of and disregards an excessive risk to inmate health or safety; the official must both be aware of facts from which the inference could be drawn that a substantial risk of serious harm exists, and he must also draw the inference." Farmer v. Brennan, 511 U.S. 825, 837 (1994). The Court equates the level of culpable intent required to the standard employed in the context of *criminal* recklessness prosecutions. Id. at 837-839. No liability can be attributed to "an official's failure to alleviate a significant risk which he should have perceived but did not." Cottrell v. Caldwell, 85 F.3d 1480, 1491 (11th Cir. 1996). Where jail officials attempt to remedy constitutional short-comings but fail to do so, the official cannot be found to have been "deliberately indifferent" unless the official knew of but disregarded appropriate effective alternatives. LaMarca, 995 F.2d at 1536. Furthermore, the United States Supreme Court has held that a significant injury is required in order to sustain a conditions of confinement claim. Porter v. Nussle, 534 U.S. 516, 528 (U.S. 2002).

Plaintiff cannot show that Defendant has been deliberately indifferent with regard to the conditions of confinement at the Lee County Detention Facility. Plaintiff has failed to allege or

offer any evidence sufficient to sustain a claim that any actions of the Defendant constituted cruel and unusual punishment. In this case, none of the conditions of which Plaintiff complains constitutes an excessive risk to his health or safety. Plaintiff has not shown or even alleged how he has been injured as a result of any of his allegations. Furthermore, the Plaintiff has not presented sufficient evidence to show that any impairment to his physical or mental condition actually resulted from the aforementioned environment. In the instant case, even if there were an excessive risk to his health or safety, the Plaintiff has not sufficiently alleged that Sheriff Jones knew of or disregarded that risk. There are no grievances in the Plaintiff's file regarding his allegations of the conditions of his confinement. The Plaintiff has failed to sufficiently allege how each Defendant was deliberately indifferent to any alleged conditions. Plaintiff has failed to allege that he suffered any injury as a result of the conditions of his confinement.

Based on the foregoing, it is clear that the Defendant did not violate Plaintiff's constitutional rights. Further, Plaintiff cannot show that clearly established law provided the Defendant with fair warning that his conduct was unlawful. Therefore, the Defendant is entitled to qualified immunity. Because the Plaintiff cannot meet the objective or subjective tests as set forth in Farmer, *supra*, his conditions of confinement claims are due to be dismissed.

3. No clearly established law provided the Defendant with fair warning that his conduct was unlawful.

Assuming, *arguendo*, that the Plaintiff could demonstrate a constitutional violation, he must still show that clearly established law provided the Defendant with fair warning that his conduct was unlawful. He may do so by either (1) pointing to a case with materially similar facts holding that the conduct engaged in was illegal; or (2) demonstrating that a pertinent federal statute or federal constitutional provision are specific enough to demonstrate conduct was illegal, even in the total absence of case law. Storck v. City of Coral Springs, 354 F.3d 1307, 1317 (11th Cir. 2003)

(citations omitted). The Eleventh Circuit has identified the latter method as an “obvious clarity” case. Vinyard v. Wilson, 311 F.3d 1340, 1350 (11th Cir. 2002) (footnote omitted). In order to show that the conduct of the Defendant was unconstitutional with “obvious clarity,” “the unlawfulness must have been apparent.” Willingham, 321 F.3d at 1301. “Unless a government agent’s act is so obviously wrong, in the light of pre-existing law, that only a plainly incompetent officer or one who was knowingly violating the law would have done such a thing, the government actor has immunity from suit.” Storck, 354 F.3d at 1318 (quoting 28 F.3d at 1149).

The Plaintiff cannot meet his burden of demonstrating a constitutional violation or showing that clearly established law provided the Defendant with fair warning that his conduct was unlawful in any of the areas of which the Plaintiff complains. Therefore, the Defendant is entitled to qualified immunity.

D. Plaintiff has failed to allege sufficient personal involvement on each claim.

The language of 42 U.S.C. § 1983 requires proof of an affirmative causal connection between the actions taken by the defendants and the constitutional deprivation. Swint v. City of Wadley, 51 F. 3d 988 (11th Cir. 1995). The requisite causal connection may be shown by the personal participation of the defendant, a policy established by the defendant resulting in indifference to constitutional rights or a breach of a duty imposed by state or local law which results in constitutional injury. Zatler v. Wainwright, 802 F. 2d 397 (11th Cir. 1986).

The Plaintiff has failed to allege that Sheriff Jones was in any way personally involved in any alleged violation of Plaintiff’s constitutional rights. Plaintiff has offered no allegation demonstrating that Sheriff Jones was in any way involved in the actions he claims were constitutionally infirm. There are absolutely no facts to show that Sheriff Jones personally participated in his claims, nor does the Plaintiff allege specifically how Sheriff Jones violated his

constitutional rights. As such, all Plaintiff's claims against Sheriff Jones are due to be dismissed.

E. To the extent that any claims against the Defendant is based on the theory of *respondeat superior*, such claims must fail.

To the extent that Plaintiff's claims are an attempt to hold the Defendant liable under a *respondeat superior* theory, his claim must similarly fail.

[Supervisory] liability under § 1983 must be based on something more than a theory of *respondeat superior*. Supervisory liability occurs either when the supervisor personally participates in the alleged constitutional violation or when there is a causal connection between actions and the supervising official and the alleged constitutional violation. The causal connection can be established when a history of widespread abuse puts the responsible supervisor on notice of the need to correct the alleged deprivation, and he fails to do so.

Dolihite v. Maughon, 74 F.3d 1027, 1052 (11th Cir. 1996).

F. Summary Judgment Standard

On a motion for summary judgment, the court should view the evidence in the light most favorable to the nonmovant. Greason v. Kemp, 891 F.2d 829, 831 (11th Cir. 1990). However, a plaintiff "must do more than show that there is some metaphysical doubt as to the material facts." Matsushita Elec. Indus. Co. v. Zenith Radio Corp., 475 U.S. 574, 586 (1986). Only reasonable inferences with a foundation in the record inure to the nonmovant's benefit. See Reeves v. Sanderson Plumbing Products, Inc., 530 U.S. 133 (2000). "[T]he court should give credence to the evidence favoring the nonmovant as well as that 'evidence supporting the moving party that is uncontradicted or unimpeached, at least to the extent that that evidence comes from disinterested witnesses.'" Reeves, 530 U.S. at 151, quoting 9A C. Wright & A. Miller, Federal Practice and Procedure § 2529, p. 299.⁹ "A reviewing court need not 'swallow

⁹ Although Reeves was a review of a motion for judgment as a matter of law after the underlying matter had been tried, the Supreme Court, in determining the proper standard of review relied heavily on the standard for summary judgment stating, "the standard for granting summary judgment 'mirrors' the standard for judgment as a matter of law, such that 'the inquiry under each is the same.'" Reeves, 530 U.S. at 150, citing Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 250-251 (1986); Celotex Corp. v. Catrett, 477 U.S. 317, 323 (1986).

plaintiff's invective hook, line and sinker; bald assertions, unsupportable conclusions, periphrastic circumlocutions, and the like need not be credited.''" Marsh v. Butler County, 268 F.3d 1014, 1036 n.16 (11th Cir. 2001) (en banc) quoting Massachusetts Sch. of Law v. American Bar, 142 F.3d 26, 40 (1st Cir. 1998).

CONCLUSION

Defendant denies each and every allegation made by Plaintiff in the Complaint. Defendant has not acted in a manner so as to deprive Plaintiff of any right to which he is entitled.

v. _____, Defendant

This is a first appearance hearing. You are charged with committing the felony offense(s) of
THEFT OF PROPERTY II in this Court in violation of _____

The primary purpose of this hearing is to ensure that you know and understand the charge or charges against you. At this hearing, there will be no determination made about your guilt or innocence of the crime charged, but only a determination that you know and understand the charge or charges against you. If you are before the Court on a complaint following a warrantless arrest, the judge or magistrate will determine whether there is probable cause for the charge against you.

In addition, the purpose of this hearing is to determine whether bail should be set in your case, or, if it has been already set, if it should remain the same, be raised, be lowered, or whether you should be released upon your personal recognizance (that is, your promise to appear for future court proceedings) or released in the custody of some responsible person. In order to make this determination, it will be necessary for the judge or magistrate to ask you some questions concerning your ties with the community.

You are entitled to be represented by an attorney. You have a right to have your own attorney and will be given time and opportunity to retain an attorney. If you are unable to afford an attorney, one will be appointed for you by the court if you qualify for such representation. It will be necessary for you to complete an indigency questionnaire under oath in order for the court to make this determination.

You have a right to talk with your attorney, family, or friends, and if necessary, reasonable means will be provided in order to enable you to do so. You have the right to remain silent. Anything that you say may be used against you.

Because you are charged with a felony, you are entitled to demand a preliminary hearing before a judge or magistrate to determine whether there is sufficient evidence to establish that you probably committed the offense or offenses with which you are charged. You must make this demand within thirty (30) days of the date of arrest. If a hearing is demanded and one is conducted, and, if at the conclusion of the preliminary hearing the judge finds that sufficient evidence has been shown to establish that you probably committed the offense or offenses with which you are charged, the judge will then bind you over for further action by a grand jury. If, on the other hand, the judge finds that the evidence is insufficient to establish that you probably committed the crime or crimes charged, then the judge will dismiss the charge and discharge you from further custody or pre-trial obligations subject to the right of the prosecution to reinstate the charges against you at a later time.

If you are released from custody (whether personal recognizance or otherwise), you must:

- 1.) Appear to answer and submit to all orders and process of the Court having jurisdiction in the case.
- 2.) Refrain from committing any criminal offense.
- 3.) Not depart from the state of Alabama without the leave of the Court having jurisdiction of this case.
- 4.) Promptly notify the Court of any change of address or phone number.
- 5.) Other conditions: _____

The provisions of the Release Order may be revoked or modified by the Court for cause. The Release Order and any appearance bond executed in compliance with it will continue in force and effect until the dismissal, acquittal, or conviction on the charges, unless sooner revoked or modified by the Court. Upon report of a violation of any of the above conditions, a warrant for your arrest will be issued.

Date: 10-4-06

Judge/Magistrate

I have read or have been advised of the matters herein set forth. I understand the explanation of procedures, rights, and information given to me at the Initial Court Appearance. I understand the conditions of my release and the penalties applicable in the event that I violate any conditions imposed herein. I also understand that failure to appear as required may subject me to additional charges in the revocation of release.

AFFIDAVIT OF COREY WELCH

STATE OF ALABAMA)
)
 COUNTY OF LEE)

BEFORE ME, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Corey Welch, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Corey Welch. I am over the age of nineteen and competent to execute this affidavit.
2. I am employed by the Lee County Sheriff's Office and assigned to serve as a corrections officer at the Lee County Detention Center. I have worked as a correctional officer for over ten years, having obtained the rank of Lieutenant in November 2004. I am both a graduate of the Police Academy and the Alabama Jail Management School. Half of Lee County Detention Center staff is assigned to the red team and half is assigned to the blue team. I am the red team supervisor. I am in charge of work-release inmates and am the SPORT team administrator. Lt. Roberson and I are the highest ranking jail officials under Major Torbert and Sheriff Jones.

3. I am familiar with the Plaintiff Rodney Raphael Cooper, due to his incarceration in the Lee County Detention Center. The Plaintiff was a pretrial detainee at all times relevant to the allegations made the basis of the Plaintiff's Complaint.

4. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

5. It is the policy of the Lee County Sheriff's Office that members of the Detention Center staff receive and answer any written grievances or requests made by inmates to the Sheriff, chief deputy sheriff, or Detention Center personnel.

6. Inmates housed in the Lee County Detention Center are furnished with Inmate Request Forms for the purpose of stating their requests or grievances in writing. Detention Center personnel are charged with the responsibility of receiving and forwarding these forms to the proper authority at any time they are offered a completed form by an inmate. The officer receiving the request form is to answer the request if possible. If that officer is unable to answer the request, he is to forward it to the appropriate individual and/or up the chain of command until the request is answered. If the request form is directed to a particular officer, the officer receiving the request will forward the request to the officer to whom the request is directed. If the officer to whom the request is directed is not on duty that day, the request will be addressed on that officer's next scheduled working day.

7. Internal grievance procedures at the Lee County Detention Center are available to all inmates. It is the policy of the Lee County Sheriff's Office that inmates are permitted to submit grievances and that each grievance will be acted upon.

8. All inmates are provided access to a Lee County Detention Center Inmate Handbook. All inmates are provided a copy of the Lee County Detention Center Inmate

Handbook when they are booked into the jail. Plaintiff signed a receipt showing that he had received a copy of the handbook and could read it. The inmate handbook states that an inmate may report a grievance on an inmate request form. Grievances are first answered by the appropriate staff at the lowest level in the chain of command. The inmate handbook also states that if the inmate is not satisfied with the first answer to his grievance, the inmate may appeal all the way up the chain of command, up to the sheriff, who will make the final decision.

9. I have never received a grievance or request form from the Plaintiff concerning any of the allegations made the basis of his Complaint. Per Lee County Sheriff's Office policy, an inmate has the opportunity to appeal any grievance to me if he were not satisfied with the response at the lower levels in the chain of command. The Plaintiff has not appealed any grievance to me. Accordingly, the Plaintiff has failed to exhaust his administrative remedies at the Lee County Detention Center.

10. It is the policy of the Lee County Sheriff's Office that all inmates confined in the Lee County Detention Facility are entitled to a level of health care comparable to that available to citizens in the surrounding community, which will ensure their physical and emotional well-being.

11. Medical care rendered to inmates in the Lee County Detention Facility is delivered under the direction of a licensed health care provider.

12. No health care personnel or Detention Facility officer or other employee of the Sheriff's Office will ever summarily or arbitrarily deny an inmate's reasonable request for medical services.

~~13. Medical, dental, and mental health matters involving clinical judgments are the sole province of the responsible physician, dentist, or psychiatrist or qualified psychologist, respectively.~~

14. Inmates are guaranteed access to all diagnostic, laboratory, or other treatment services as directed by the responsible health care authority.

15. It is the policy of the Lee County Sheriff's Office to allow inmates incarcerated in the Lee County Detention Facility to request health care services at any time.

16. Two methods may be utilized by inmates incarcerated in the Lee County Detention Facility in order to secure health care services:

a. Verbal Request: An inmate may make a verbal request for emergency medical attention to any member of the Detention Center staff at any time.

b. Written Request: An inmate in need of any type of medical attention may complete an Inmate Request form seeking medical attention and forward it to any member of the Detention Center staff.

17. Requests for medical treatment will be accepted by members of the Detention Facility staff at any time.

18. When a request for medical treatment is made to a member of the Detention Facility staff, the staff member receiving the request will notify the shift supervisor of the inmate's request. It is the shift supervisor's responsibility to ensure that the inmate's request is attended to in a prompt and proper manner. Any doubt as to whether an actual need exists for medical treatment will be resolved in favor of the inmate and medical treatment will be offered.

19. Medical requests of an emergency nature are to be handled immediately.

20. Lee County Sheriff's Office policy requires that inmates be informed of the methods by which they may obtain medical treatment during the booking process.

21. ~~The Detention Facility nurses, under the direction of the Detention Facility Administrator, are charged with the responsibility of obtaining appointments for inmates with~~ physicians in order that they may receive medical treatment or for scheduling times when the treating physician may attend to health care needs at the Detention Facility.

22. When an inmate requests to see a dentist, the inmate is first examined by the jail physician in order to ensure that the inmate does not suffer from an emergency medical condition and to ensure that the inmate most likely does have a dental problem. If the inmate's request is not of an emergency nature, the inmate is placed on the list to be seen by a dentist. A local dentist sees 10 inmates from the Lee County Detention Center a week. Inmates are seen in the order that their name appears on the list.

23. All health care rendered to inmates will, at the doctor's discretion, be given privately to the inmate, outside the presence of a Detention Facility official. Should the physician request, a Detention Facility officer will be present for any and all examinations the treating physician deems appropriate.

24. All inmates are required to pay a \$10.00 fee for non-emergency treatment and a \$3.00 fee for prescription medication. Inmates are never denied emergency medical treatment or treatment to a life-threatening injury. Inmates will not be denied necessary medical treatment because of lack of funds or for any other reason. When an inmate has insufficient funds in his/her trust account to pay for the assessed fee(s), a lien in the amount of the fee(s) will be placed on the inmate's trust account against future monies which may be received.

25. Per the policy of the Lee County Sheriff's Office, the nonmedical staff always defer to the instructions of the trained medical professionals on all medical issues.

26. The heating system for the Lee County Detention center maintains a temperature between 68 and 70 degrees Fahrenheit in all inmate cells. Increasing this temperature increases the opportunity for germ growth. If a problem does occur within the heating system, a service professional is called to fix it immediately. Plaintiff has never been housed in a cell without adequate heat.

27. At booking each inmate received one blanket and two sheets. Per jail policy, inmates are not issues any further bedding items.

28. There is no report or request form in the Plaintiff's Inmate or Medical File showing that the Plaintiff ever fell in the shower as he alleged or that he requested medical care due to a fall in the shower as Plaintiff alleged.

29. Menus for the inmates at the Lee County Detention Facility are written out each month based on an original pre-approved menu. The original pre-approved menu has been approved by a certified dietician at the Auburn University Extension Office. The dietitian has made any necessary revisions to the menu, which is then adopted and approved by Detention Center staff as the menu as meeting all nutritional requirements. This dietitian-approved menu is the basis for all meals that have been served to inmates in the Lee County Detention Facility over the past two years.

30. Inmates receive ample amounts of dairy products, proteins and vegetables. Water is served to the inmates daily; also, inmates receive non-fat milk and fruit drinks several times a week. Further, healthy portions are served at each meal. Inmates are usually served meat daily. Inmates usually are served three to four different food items at every meal, offering a variety of food choices each day. Inmates are served fruit several times a week.

31. I have complied with all policies and procedures of the Lee County Detention Center. I am not aware of nor have I authorized or allowed any deviation from said policies and procedures.

32. All documents attached to the Special Report are true and accurate copies of jail documents kept by me in the ordinary course of my business. I am a custodian of these records.

33. I swear to the best of my present knowledge and information that the above statements are true, that I am competent to make this affidavit and that the above statements were made by drawing from my personal knowledge of the situation.

AFFIDAVIT OF TOMMY THREAT

STATE OF ALABAMA)
)
 COUNTY OF LEE)

BEFORE ME, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Tommy Threat, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Tommy Threat. I am over the age of nineteen and competent to execute this affidavit.

2. I am employed by the Lee County Sheriff's Office and assigned to serve at the Lee County Detention Center. I have achieved the rank of Sergeant. I have been employed at the Lee County Detention Center for six (6) years. I am a graduate of the Alabama Jail Management School.

3. I am familiar with the Plaintiff, Rodney Rapheal Cooper, due to his incarceration in the Lee County Detention Facility.

4. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

5. It is the policy of the Lee County Sheriff's Office that members of the Detention

Center staff receive and answer any written grievances or requests made by inmates to the sheriff, chief deputy sheriff, or Detention Center personnel.

6. Inmates housed in the Lee County Detention Center are furnished with inmate request forms for the purpose of stating their requests or grievances in writing. Detention Center personnel are charged with the responsibility of receiving and forwarding these forms to the proper authority at any time they are offered a completed form by an inmate. The officer receiving the request form is to answer the request if possible. If that officer is unable to answer the request, he is to forward it to the appropriate individual and/or up the chain of command until the request is answered. If the request form is directed to a particular officer, the officer receiving the request will forward the request to the officer to whom the request is directed. If the officer to whom the request is directed is not on duty that day, the request will be addressed on that officer's next scheduled working day.

7. I have never received any request form from the Plaintiff concerning any allegation made basis of his Complaint.

8. Internal grievance procedures at the Lee County Detention Center are available to all inmates. It is the policy of the Lee County Sheriff's Office that inmates are permitted to submit grievances and that each grievance will be acted upon.

9. All inmates are provided a copy of the Lee County Detention Center Inmate Handbook when they are booked into the jail. Plaintiff signed a receipt showing that he had received a copy of the handbook and could read it. The inmate handbook states that an inmate may report a grievance on an inmate request form. Grievances are first answered by the appropriate staff at the lowest level in the chain of command. The inmate handbook also states that if the inmate is not satisfied with the first answer to his grievance, the inmate may appeal all the way up the chain of command, up to the sheriff, who will make the final decision.

10. A copy of all grievances and requests are filed in the inmate's file. However, the only requests in the Plaintiff's inmate file concern his requests regarding his parole, his requests regarding money to spend at the store, his request regarding his personal property being picked up and his request regarding his bad check charge. Had the Plaintiff made a request concerning any other allegations of his Complaint a copy would have been placed in the Plaintiff's inmate file. However, no such requests can be found in the Plaintiff's inmate file.

11. The heating system for the Lee County Detention center maintains a temperature between 68 and 70 degrees Fahrenheit in all inmate cells. Increasing this temperature increases the opportunity for germ growth. If a problem does occur within the heating system, a service professional is called to fix it immediately. Plaintiff has never been housed in a cell without adequate heat. I have never told Plaintiff that he is housed in a cell without adequate heat.

12. At booking each inmate received one blanket and two sheets. Per jail policy, inmates are not issues any further bedding items.

13. It is the policy of the Lee County Sheriff's Office that all inmates confined in the Lee County Detention Facility are entitled to a level of health care comparable to that available to citizens in the surrounding community, which will ensure their physical and emotional well-being.

14. Medical care rendered to inmates in the Lee County Detention Facility is delivered under the direction of a licensed health care provider.

15. No health care personnel or Detention Facility officer or other employee of the Sheriff's Office will ever summarily or arbitrarily deny an inmate's reasonable request for medical services.

16. Medical, dental, and mental health matters involving clinical judgments are the sole province of the responsible physician, dentist, or psychiatrist or qualified psychologist, respectively.

17. Inmates are guaranteed access to all diagnostic, laboratory, or other treatment services as directed by the responsible health care authority.

18. It is the policy of the Lee County Sheriff's Office to allow inmates incarcerated in the Lee County Detention Facility to request health care services at any time.

19. Two methods may be utilized by inmates incarcerated in the Lee County Detention Facility in order to secure health care services:

a. Verbal Request: An inmate may make a verbal request for emergency medical attention to any member of the Detention Center staff at any time.

b. Written Request: An inmate in need of any type of medical attention may complete an Inmate Request form seeking medical attention and forward it to any member of the Detention Center staff.

20. Requests for medical treatment will be accepted by members of the Detention Facility staff at any time.

21. When a request for medical treatment is made to a member of the Detention Facility staff, the staff member receiving the request will notify the shift supervisor of the inmate's request. It is the shift supervisor's responsibility to ensure that the inmate's request is attended to in a prompt and proper manner. Any doubt as to whether an actual need exists for medical treatment will be resolved in favor of the inmate and medical treatment will be offered.

22. Medical requests of an emergency nature are to be handled immediately.

23. Lee County Sheriff's Office policy requires that inmates be informed of the methods by which they may obtain medical treatment during the booking process.

24. The Detention Facility nurses, under the direction of the Detention Facility

Administrator, are charged with the responsibility of obtaining appointments for inmates with physicians in order that they may receive medical treatment or for scheduling times when the treating physician may attend to health care needs at the Detention Facility.

25. All health care rendered to inmates will, at the doctor's discretion, be given privately to the inmate, outside the presence of a Detention Facility official. Should the physician request, a Detention Facility officer will be present for any and all examinations the treating physician deems appropriate.

26. I have complied with all policies and procedures of the Lee County Detention Facility. I am not aware of nor have I authorized or allowed any deviation from said policies and procedures.

27. I swear, to the best of my present knowledge and information that the above statements are true, that I am competent to make this affidavit and that the above statements were made by drawing from my personal knowledge of the situation.

AFFIDAVIT OF LINDA STEWART

STATE OF ALABAMA)
)
COUNTY OF LEE)

BEFORE ME, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Linda Stewart, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Linda Stewart. I am over the age of nineteen and competent to execute this affidavit. I have been employed as a nurse with the Lee County Detention Facility for over five years. I am an L.P.N. and have been licensed for over twenty-years, having served as a nurse in the ICU and CCU in Cobb Hospital Emergency Room for fifteen-years. I am a Certified Correctional Health Professional by the National Commission on Correctional Health Care. I taught Nursing Assistance Clinicals for two years at Career Institute. I collected medical information for the law firm of Bellamy and Jones for three years, and I was employed as the personal nurse for Doctor Hoffman, in Phenix City, Alabama, for twelve-years, prior to my coming to the Lee County Detention Facility.

2. I certify and state that the documents from Plaintiff's medical file provided to the Court which are attached to the Defendants' Special Report are true and correct copies of inmate records, kept at the Lee County Detention Center in the regular course of business. I am the Custodian of these Records.

3. I am familiar with the Plaintiff, Rodney Raphael Cooper, due to his incarceration in the Lee County Detention Facility.

4. I have complied with all policies and procedures of the Lee County Detention Facility. I am not aware of nor have I authorized or allowed any deviation from said policies and procedures.

5. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

6. As a Detention Facility nurse, I have neither duty nor authority with regard to any non-medical issues. My sole duty and authority is with regard to medical care of inmates.

7. It is the policy of the Lee County Sheriff's Office that all inmates confined in the Lee County Detention Facility are entitled to a level of health care comparable to that available to citizens in the surrounding community, which will ensure their physical and emotional well-being.

Should the physician request, a Detention Facility officer will be present for any and all examinations the treating physician deems appropriate.

20. I received and responded to two request slips from Plaintiff requesting medical care for a toothache. Plaintiff submitted the first slip on October 5, 2006 and the second slip on October 6, 2006. After receipt of the first slip, I placed Plaintiff on a list to see the dentist.

21. Dr. McFarland examined Plaintiff and determined that he did need to see a dentist. Plaintiff was examined by Dr. William G. King, III, D.M.D. on October 27, 2006. Dr. King prescribed amoxicillin and Lortab to Plaintiff and determined that Plaintiff could have his wisdom teeth removed as elective, non-emergency surgery paid for by Plaintiff. Plaintiff received his first dose of these medications on October 27, 2006. Plaintiff continued to receive these medications exactly as Dr. King prescribed them, as shown by the Medication Administration Records.

22. I followed Dr. McFarland's and Dr. King's orders with regard to the Plaintiff's medical care. In fact, per the policy of the Lee County Sheriff's Office, I always follow the instructions of the treating physician on all medical issues.

23. Other than the two requests regarding a toothache dated October 5, 2006 and October 6, 2006, I have never received a grievance or request from the Plaintiff concerning the allegations made the basis of his Complaint.

24. I swear, to the best of my present knowledge and information that the above statements are true, that I am competent to make this affidavit and that the above statements were made by drawing from my personal knowledge of the situation.
